Storage Terms and Agreements

By storing your boat and/or jet ski, you agree to the following terms for storage at Lanes End Marine Service and Storage, LLC.

Lanes End Marine Service & Storage, LLC will otherwise be known as "LEMS&S" within this document.

- 1. In March go to our website to complete your "Launch Card".** This online form must be completed to schedule removal from storage, launches or pickups and spring services. **If a Launch Card is not submitted,** your boat/jet ski will not be taken from storage and readied for your use.
- 2. All engines winterized by LEMS&S will be charged for miscellaneous shop supplies, new gear oil, and the charge for changing gear oil, if so equipped.** Shop Supplies charge consists of small amounts of chemicals or other fluids and lubricants, miscellaneous hardware and electrical components or other non-inventoried parts will not exceed \$25.
- 3. The boat owner agrees that any grant of storage of any vessel and or motor (including all related services) shall constitute a rental of space only.** We require the boat owner to keep adequate insurance in effect, while your boat is in storage, to cover things beyond our control. Examples include, but are not limited to, arson, freak storms, criminal activity, or acts of God. Lanes End Marine Service & Storage does not accept responsibility for those things out of its control. Please remove from the boat, or lock away your personal belongings for the storage period. The boat owner also agrees to hold harmless and indemnify Lanes End Marine Service & Storage, LLC for any damage to boat or jet ski and to any liability. Storage length is based on the complete length of boat from bow to stern upon arrival at Lanes End Marine Service, including engine and any extensions, and may differ from manufacturer's stated length.
- 4. Fueling requirement for storage:** "permanently installed fuel tanks shall be stored at least 95% full". This is in accordance with the National Fire Protection Association (NFPA) 303-Fire Protection Standard for Marinas and Boatyards, 2016 Edition.
- 5. Owners with Fresh Water Systems must pump septic system prior to delivering for storage;** we do not offer septic pumping service.
- 6. Invoicing and Payment Policy:** Services are invoiced upon completion and EMAILED to the provided address. The customer is responsible for keeping Lanes End informed of their correct email and mailing addresses for invoicing. Fall Services and Winter storage is billed within two weeks of storage, and due within 30 days of date of original invoice.

PAYMENT TERMS: Cash, checks (personal or Bill Pay) or Visa, MasterCard or Discover. Past due invoices will be charged a finance charge of 2% per month, which is an annual percentage rate of 24%, when 30 days past due following date of original invoice. There will be a \$39.00 charge for any returned check.
- 7. The boat owner agrees to the storage rate** listed on the Storage Agreement for the current year of storage, effective September 1 to August 31. No terms or conditions herein may be changed or modified unless in writing and signed by both parties
- 8. No vessel will be accepted for storage without a current year's Storage Agreement No exceptions.**
